Generations Hall
310 Andrew Higgins Drive
New Orleans

The Louisiana Restaurant Association Education would like to extend an invitation to its 4th annual "Serving the Future" event on Thursday, March 12 at Generations Hall in New Orleans. Join us for a one-of-a-kind celebration where the industry and classroom join together for an evening filled with only the best local cuisine, cocktails and an opportunity to interact with and inspire tomorrow's restaurant workforce. This unique experience is sure to provide for a memorable evening for sponsors and students alike.

Serving the Future will honor our 2020 LRAEF Scholars and state partners who generously support the LRAEF's mission and advancement. The event funds our programs including school support, LRAEF Scholars, teacher development and competition expenses to attend the National ProStart Invitational in Washington D.C.

Your sponsorship of a table at this event will indicate your support of a ProStart school program of your choice. It is our hope that you will maintain a relationship with the school you select by providing mentorship to the students into the future through instruction, encouragement and insight.

Reserve Your Table \$1,500

School Table Sponsorship includes:

- Company name and logo on all event signage
- Recognition in event program and media coverage
